

# Homemade Play Dough

## Ingredients

- 1 cup white flour
- 1/2 cup salt
- 2 Tbsp. cream of tartar
- 1 Tbsp. oil
- 1 cup water
- Food colouring – amount depends on colour vibrancy

## Directions:

1. Measure flour, salt and oil into medium saucepan & mix in the cream of tartar that team leader has collected. Mix well with a wooden spoon.
2. Add water and mix well.
3. Cook over medium heat, stirring constantly for 3-5 minutes. Dough will become difficult to stir and form a "clump".
4. Remove from stove. Divide dough into 2 or 3 sections.
5. Knead your dough on a stabilized cookie sheet (share) for 5 minutes. Add a few drops of food colouring and knead in. Add a few more drops of food colouring if not bright enough.

**Play dough will keep for a long time in a plastic tub or baggie.**
